jail at La Junta, Colorado, charged with an assault with attempt to kill S. F. Woods, a Santa Fe freight conductor. It seems Woods took a train into La Junta from the south shortly after midnight Saturday.

Soon after arriving he found several seals broken and three colored tramps in one car. When he attempted to arrest them one of them drew a revolver and three years past the general superintenshot him in the left side. They then ran away. Two of them were captured by the city marshal about daylight and lodged in jail, and the third has since been captured at Dodge City.
